St George's Central CE Primary School and Nursery

St. George's Central CE Primary School and Nursery

School Improvement Plan 2018/19

(Key targets/actions)

Each year the school has to produce a school improvement plan to show how we will move the school forward over the coming year. This is a lengthy document that has many key statistical targets that we will strive to meet, however, for your convenience I have picked out the key actions, for this year:

Increase % of all children at 'monitoring level' in the Prime Areas of the **EYFS** (Lancaster Avenue Nursery).

Increase the % of boys working at the expected/ exceeded levels so that more achieve a Good Level of Development in Early Years.

Increase the % of all children working at the Expected Standard and all children working at Greater Depth in Reading.

To implement a consistent approach to the record keeping of investigations and safeguarding information (CPOMs).

To continue to develop the leadership roles within our Lancaster Avenue Nursery in order to ensure high quality teaching and learning and effective curriculum delivery.

To enhance the spiritual development of children through effective Worship and curriculum delivery of Understanding the World/RE in line with our church school ethos.

Further develop the leadership of Inclusion (SEND and Pupil Premium children) to improve pupil outcomes across school.

To ensure that children have an increased tolerance of people and a better understanding of different types of bullying.

Increase the % of all children achieving Greater Depth in Maths and boys working at Expected and Greater Depth in Writing.

Increase the % of 'Low Prior Attaining' children meeting the **Expected Standard** in Reading, Writing, Maths and SPAG and girls achieving Greater Depth in Writing in SPAG.

'Never settle for less than your best'
