# St George's Central CE Primary School and Nursery

#### **E-SAFETY POLICY**

#### **Our school motto**

Never settle for less than your best.

#### **Our Vision**

Following in the footsteps of Jesus, each member of our community will flourish as resilient, respectful and adaptable individuals prepared for life's journey. Along the way we will encourage and inspire each other to continue growing as beacons of light in our own lives and the wider world.

#### **Our Mission**

St George's Central seeks to provide quality education rooted in the Christian faith, serving the spiritual, moral and educational needs of the community of which it is part.

#### Scope of the Policy

This policy applies to all members of the school community (including staff, students/pupils, Governors, volunteers, parents/carers, visitors, community users) who have access to and are users of school ICT systems and mobile technologies, both in and out of school.

#### **Roles and Responsibilities**

The following section outlines the roles and responsibilities for e-safety of individuals and groups within the school:

#### Governors:

Governors are responsible for the approval of the E-Safety Policy and for reviewing the effectiveness of the policy.

#### **Headteacher and Senior Leaders:**

- The Headteacher is responsible for ensuring the safety (including e-safety) of members of the school community;
- The Headteacher and another member of the Senior Leadership Team/Senior Management Team should be aware of the procedures to be followed in the event of a serious e-safety allegation being made against a member of staff.

#### **Computing/E-Safety Coordinator:**

- leads the e-safety committee and/or cross-school initiative on e-safety;
- takes day to day responsibility for e-safety issues and has a leading role in establishing and reviewing the school e-safety policies/documents;
- ensures that all staff are aware of the procedures that need to be followed in the event of an e-safety incident taking place;
- provides training and advice for staff;
- receives reports of e-safety incidents and creates a log of incidents to inform future e-safety developments;
- reports regularly to Senior Leadership Team.

#### **Network Manager/Technical staff:**

Computing Technician and Computing Co-ordinator is responsible for ensuring:

- that the school's computing infrastructure is secure and is not open to misuse or malicious attack;
- that the school meets the e-safety technical requirements outlined in any relevant Local Authority E-Safety Policies and guidance;
- that users may only access the school's networks through a properly enforced password protection policy;

### 'Never settle for less than your best'

#### **Teaching and Support Staff**

are responsible for ensuring that:

- they have an up to date awareness of e-safety matters and of the current school e-safety policy and practices
- they have read, understood and signed the school Staff Acceptable Use Policy/Agreement (AUP)
- they report any suspected misuse or problem to the E-Safety Co-ordinator /Headteacher/ Computing Co-ordinator for investigation/action/sanction

#### Designated person for child protection/Child Protection Officer

will be trained in e-safety issues and be aware of the potential for serious child Protection issues to arise from:

- · sharing of personal data
- access to illegal/inappropriate materials
- inappropriate on-line contact with adults/strangers
- potential or actual incidents of grooming
- cyber-bullying

#### Students/pupils:

- are responsible for using the school computing systems and mobile technologies in accordance with the Student / Pupil Acceptable Use Policy, which they will be expected to sign before being given access to school systems (NB. at KS1 it would be expected that parents/carers would sign on behalf of the pupils)
- need to understand the importance of reporting abuse, misuse or access to inappropriate materials and know how to do so

#### Parents/Carers

The school will take every opportunity to help parents understand these issues through parents' evenings, newsletters, letters, website/Learning Platform and information about national/local e-safety campaigns/literature. Parents and carers will be responsible for:

- endorsing (by signature) the Student/Pupil Acceptable Use Policy
- accessing the school computing systems or Learning Platform in accordance with the school Acceptable Use Policy.

#### **Community Users**

Community Users who access school computing systems or Learning Platform as part of the Extended School provision will be expected to sign a Community User Acceptable Use Policy (AUP) before being provided with access to school systems.

#### **E-Safety Education and Training**

#### **Education - pupils**

E-Safety education will be provided in the following ways:

- A planned e-safety programme will be provided as part of Computing/PHSE and will be regularly revisited this will cover both the use of Computing and new technologies in and outside school
- Pupils will be taught in all lessons to be critically aware of the materials/content they access on-line and be guided to validate the accuracy of information

#### **Education & Training - Staff**

It is essential that all staff receive e-safety training and understand their responsibilities, as outlined in this policy. Training will be offered as follows:

- All new staff will receive e-safety training as part of their induction programme, ensuring that they fully understand the school e-safety policy and Acceptable Use Policies
- Updates from Computing/Child Protection Co-ordinator following training sessions.

#### Personal e- mail accounts

Staff are not permitted to access personal e mails through school equipment. Any e-mails required for school should be sent to personal staff e-mail accounts to be accessed by school equipment.

# 'Never settle for less than your best'

#### **Social Media**

**Facebook** - Staff are not permitted to access personal Facebook accounts through any school equipment unless authorised to do so by the head teacher. The school Facebook account can be accessed through school equipment.

**Twitter** – All school twitter users must ensure children under the age of 13 are not following their account. This essentially means that only parents/carers from school should be following the twitter account. School Twitter accounts must follow the e safety policy lined out in this document

#### **Pupil Acceptable Use Policy Agreement**

#### KS2

This Acceptable Use Policy is intended to make sure:

- That you will be a responsible user and stay safe while using the internet and other technology for learning and personal use
- That ICT systems and users are protected from accidental or deliberate misuse

The school will try to ensure that you will have good access to ICT to enhance your learning and will, in return, expect you to agree to be a responsible user.

Please make sure you read and understand the following

**☑**I **WILL** and

**I WILL NOT** statements.

If there's anything you're not sure of, ask your teacher.

### ☑I WILL:

- not share my username or password, or try to use any other person's username and password
- immediately report any unpleasant or inappropriate material or messages or anything that makes me feel uncomfortable when I see it online
- respect others' work and property and will not access, copy, remove or change anyone else's files, without their knowledge and permission
- be polite and responsible when I communicate with others, I will not use strong, aggressive or inappropriate language and I appreciate that others may have different opinions
- hand my mobile phone in to the school office at the start of the day if I have to bring it to school
- understand that, if I do use my own devices in school with teacher permission, I will follow the rules set out in this agreement, in the same way as if I was using school equipment
- immediately report any damage or faults involving equipment or software, however this may have happened

### I WILL NOT:

- try (unless I have permission) to make downloads or uploads from the Internet
- take or share images (pictures and videos) of anyone without their permission
- use the school ICT systems for online gaming, internet shopping, file sharing, or video broadcasting (eg YouTube), unless I have permission of a member of staff to do so.
- try to upload, download or access any materials which are illegal or inappropriate or may cause harm or distress to others
- try to use any programmes or software that might allow me to bypass the filtering/security systems in place to prevent access to such materials
- open any attachments to emails, unless I know and trust the person/organisation who sent the email, due to the risk of the attachment containing viruses or other harmful programmes
- attempt to install programmes of any type on a machine, or store programmes on a computer

#### **Pupil Acceptable Use Policy Agreement**

#### Foundation Stage & KS1

This Acceptable Use Policy is intended to make sure:

- That you will be a responsible user and stay safe while using the internet and other technology for learning and personal use
- That ICT systems and users are protected from accidental or deliberate misuse

The school will try to ensure that you will have good access to ICT to enhance your learning and will, in return, expect you to agree to be a responsible user.

Please make sure you read and understand the following statements. If there's anything you're not sure of, ask your teacher.

- We only use the internet when an adult is with us.
- We can click on the buttons when we know what they do.
- We always ask if we get lost on the internet.
- We can send and open e-mails together.
- We never give out personal information or passwords.
- We only use computers or ICT equipment with an adult's permission.

#### Appendix 2

#### Staff, Volunteer and Community User Acceptable Use Policy Agreement Template

#### School Policy

This Acceptable Use Policy (AUP) is intended to ensure:

- that users will be responsible users and stay safe while using the internet and other communications technologies for educational, personal and recreational use.
- that school ICT systems and users are protected from accidental or deliberate misuse that could put the security of the systems and users at risk.
- that users are protected from potential risk in their use of ICT in their everyday work.

The school will try to ensure that staff, volunteers and community users will have good access to ICT to enhance their work, to enhance learning opportunities for pupils learning and will, in return, expect staff, volunteers and community users to agree to be responsible users.

#### Acceptable Use Policy Agreement

I understand that I must use school ICT systems in a responsible way, to ensure that there is no risk to my safety or to the safety and security of the ICT systems and other users. I recognise the value of the use of ICT for enhancing learning and will ensure that students/pupils receive opportunities to gain from the use of ICT. I will, where possible, educate the young people in my care in the safe use of ICT and embed e-safety in my work with young people.

For my professional and personal safety:

- I understand that the school will monitor my use of the ICT systems, email and other digital communications.
- I understand that the rules set out in this agreement also apply to use of school ICT systems (eg laptops, email, etc) out of school.
- I understand that the school ICT systems are primarily intended for educational use and that I will only use the systems for personal or recreational use within the policies and rules set down by the school.
- I will not disclose my username or password to anyone else, nor will I try to use any other person's username and password.
- I will immediately report any illegal, inappropriate or harmful material or incident I become aware of, to the appropriate person.

I will be professional in my communications and actions when using school ICT systems:

• I will not access, copy, remove or otherwise alter any other user's files, without their express permission.

# 'Never settle for less than your best'

- I will communicate with others in a professional manner, I will not use aggressive or inappropriate language and I appreciate that others may have different opinions.
- I will ensure that when I take and/or publish images of others I will do so with their permission and in accordance with the school's policy on the use of digital/video images. I will not use my personal equipment to record these images, unless I have permission to do so. Where these images are published (eg on the school website) it will not be possible to identify by name, or other personal information, those who are featured.
- I will only use chat and social networking sites in school in accordance with the school's policies.
- I will only communicate with pupils and parents/carers using official school systems. Any such communication will be professional in tone and manner.
- I will not engage in any on-line activity that may compromise my professional responsibilities.

The school and the local authority have the responsibility to provide safe and secure access to technologies and ensure the smooth running of the school:

- When I use my personal hand held/external devices (PDAs/laptops/mobile phones/USB devices etc) in school, I will follow the rules set out in this agreement, in the same way as if I was using school equipment. I will also follow any additional rules in line with the School's E-Safety Policy set by the school about such use. I will ensure that any such devices are protected by up to date anti-virus software and are free from viruses.
- I will not open any attachments to emails, unless the source is known and trusted, due to the risk of the attachment containing viruses or other harmful programmes.
- I will ensure that my data is regularly backed up, in accordance with relevant school policies.
- I will not try to upload, download or access any materials which are illegal (child sexual abuse images, criminally racist material, adult pornography covered by the Obscene Publications Act) or inappropriate or may cause harm or distress to others. I will not try to use any programmes or software that might allow me to bypass the filtering/security systems in place to prevent access to such materials.
- I will not try (unless I have permission) to make large downloads or uploads that might take up internet capacity and prevent other users from being able to carry out their work.
- I will not disable or cause any damage to school equipment, or the equipment belonging to others.
- I understand that data protection policy requires that any staff or student / pupil data to which I have access, will be kept private and confidential, except when it is deemed necessary that I am required by law or by school policy to disclose such information to an appropriate authority.
- I will immediately report any damage or faults involving equipment or software, however this may have happened.

#### Staff, Volunteer and Community User Acceptable Use Agreement Form

This form relates to the staff, volunteer and community user Acceptable Use Policy (AUP), to which it is attached.

I understand that I am responsible for my actions in and out of school:

- I understand that this Acceptable Use Policy applies not only to my work and use of school ICT equipment in school, but also applies to my use of school ICT systems and equipment out of school and my use of personal equipment in school or in situations related to my employment by the school.
- I understand that if I fail to comply with this Acceptable Use Policy Agreement, I could be subject to disciplinary action. This could include a warning, a suspension, referral to Governors and/or the Local Authority and in the event of illegal activities the involvement of the police

All Staff will receive a copy of this document and they will sign to say they have understood the content of this policy

### 'Never settle for less than your best'

#### Appendix 3 - Parental Consent Form

#### Use of Internet and Digital/Video Images

The use of digital/video images plays an important part in learning activities. Students/pupils and members of staff may be using digital or video cameras to record evidence of activities in lessons and out of school. These images may then be used in presentations in subsequent lessons.

Images may also be used to celebrate success through their publication in newsletters, on the school website and occasionally in the public media.

The school will comply with the Data Protection Act /GDPR and request parents / carers permission before taking images of members of the school. We will also ensure that when images are published that the young people cannot be identified by the use of their names.

Parents are requested to sign the permission form in to allow the school to take and use images of their child, and for their child to access the internet. This ensures compliance with GDPR guidelines.
