Parental feedback from July 2018

Stars (the things you really like about St. George's Central CE Primary School and Nursery)

'Similar' responses have been grouped together

Many thanks for all your 'stars'. It is great to receive feedback on things you feel are going well. It is also encouraging to hear that amendments we make in school are having a positive impact on the children and yourselves.

Parental star – Staff			
*A big thank you to all the staff of St. George's for successfully completing another year in the education of our children. I would			
also like to note how nice and welcoming Mrs Reeder, Miss Chase and Miss Harper are in breakfast club.			
*Many thanks to Mr Simmons and the rest of the team in his class this year. They have been lovely.			
*Friendly and approachable teachers. Great to have male teachers too.			
*I like the way all staff are friendly and approachable.			
*I would like to thank Mrs Wright and Miss Chase for their excellent teaching skills. My child has thoroughly enjoyed his time in Y3.			
*All the staff that teach my children are always very helpful and always available to talk to.			
*Staff and teachers always helpful.			
*I really like the staff and teachers. All are very friendly.			
*Teachers work alongside the children to improve home/school life.			
*Mr Simmons is a very good teacher. We have seen a great change in our son's personality and educational ability this year.			
*Very passionate teaching staff, giving up own time to focus on extra-curricular clubs and children's developmental needs. Eg –			
SEND – great improvement since Mrs O'Brien took over the role.			
*Staff are always very welcoming and approachable in the morning or at the end of the day if you need to pass a message to them,			
we always feel that is ok. We like that Mr Grogan is around in the morning welcoming children and parents, his presence is			
important and again shows how easy it is if you need to ask a quick question.			
Parental star – Extra-curricular activities/Community events			
*I really like the wide variety of after school and lunchtime clubs in St. George's. I also like the fact that the Eco Club ran for the			
entire year. Well done to Miss Harper and Mrs Rigby for running it so successfully.			
*Fantastic sports opportunities for everyone, not just those that are sporty already. I think it's important for every child to at least			
have a go. You don't know if you like it unless you try it.			
*The choice of after school clubs and cost of the clubs are great value. My daughter enjoys attending the clubs and found some of			
them very educational.			
*The school trip to the Christmas pantomime and also other school activities i.e. music concerts, mosque visit and crucial crew.			
*Very good community links. Teaching the children the importance of their local community/church etc.			
*Wide variety of after school clubs which means there is something for everyone and encourages the children to get involved and			
be more part of the school community.			
Parental star – Communication			
*Love the interaction through Tapestry and Twitter showing us what they are doing on a daily basis.			
*I like the communication via Facebook/Twitter. It's great to see what the children have been up to.			
*I find the text messaging updates really useful.			
*Very communicative i.e. SMS, emails and the school App.			
*The use of Tapestry App which allows you to share experiences of home and see more of what the children have been up to and			
how they are progressing. Loved the video of the wedding and recordings from assembly. We will be sad not to continue using it			
next year.			
Parental star – Children			
*I like the way that children are always polite to visiting adults i.e. holding doors open.			
Parental star – Open door policy			
*We enjoy the stay and play sessions so we can see what they are doing in school.			
*Parents' evening feedback and detail.			
*I love the stay and play sessions.			
Parental star – PE kits			
*Children going to school in their PE kits, rather than changing in the classroom. It is easier for the children and must save time,			
giving more time for the actual PE lesson.			
Parental star – Provision/Ethos			

*Outside learning improves every year for the children.

*I am happy about the level of education school is providing for my child.

*Breakfast club.

*I really enjoy the assemblies, just a shame that each class only does one worship a year.

*I enjoyed our first sports day recently.

*A positive and happy school.

*The 'TEAM' initiative is fantastic – it gives children an incentive to motivate them to try harder.

*We love the class assemblies and being invited to the stay and play sessions. School is such a big part of their life and it is lovely to share in it and it helps them to remember more about what they have been up to.

Wishes (ways that you think we could improve St. George's Central CE Primary School and Nursery) 'Similar' responses have been grouped together

	<u>'Similar' responses have been grouped together</u>
Parental wish – Mixed classes	School response
*Each year group better streamlined into just one or two classes for each	Our annual intake number is set by the local authority and, because of our available space in school and our budget allocation, this means that we have to have mixed year group
year rather than mixing them	classes. It would not be financially viable to organise our children in 'straight age classes'
oldest/youngest.	throughout school as this would mean that we have to increase the number of classrooms
	we currently have by three. In addition to this, in order to meet statutory requirements, we
*Obviously, that there are no more	would have to employ three more full time teachers. In total, that would cost approximately
mixed classes at St. George's Central!!	£800,000 which is a very large majority of our annual school budget.
Regardless of financial constraints,	
admission numbers or space in school	With regards to this 'wish', I have done everything currently in my control to ensure that
children should be with their peers	our children are taught in straight age classes and there is currently nothing further I can
and not discriminated against on either age or ability. Please bring St.	do.
George's in line with ALL the other	
schools in the Tyldesley area and have	
either two classes per year group or	
only 30 children per year.	
Parental wish – Filming	School response
*You should be able to purchase	The KS2 performance at the end of the year is professionally filmed and the Y6 children who
videos of the school assemblies or	are the main actors, are given a free copy as a leavers gift. I have never really thought
performances as you are not allowed	before about asking the person who does the filming for us to do the same for our Nursery,
to do your own.	Reception and KS1 performances at Christmas and so I will make arrangements for this
	straight away. We will most likely have to charge for this – I will provide you with an update with the progress I make with this in the November newsletter (23/11/18).
	Dates for all productions and Class Worships are published in the key dates letter, which
	this year, was emailed out to you before we broke for summer (this is also on the opening
	page of our website and paper copies are in the letter holders in the entrance area). In
	doing this we aim to give advanced notice so that you are able to make suitable
	arrangements should you work. Although we do realise that we cannot control if you are
	able to take time from work and so for those people unable to attend, we provide images
Parental wish – Awards	on our school Facebook and class Twitter accounts. School response
*A child to receive some kind of	I think we could look at rewarding children in school with the highest attendance at the end
achievement award when retaining	of the year. For me, it would give mixed messages if we just rewarded the 100% attendance
100% attendance throughout the	children as while 100% attendance is a good thing and something that we would whole
entire year. It is a shame if the class	heartedly encourage, under the policy section of our website we have the 'Guidance for
doesn't reach 100% but the individual	Infection Control' which 'encourages' children who are ill to remain off school. This year we
does.	have set ourselves a target that all children can achieve 98%+ attendance for the year.
	We could therefore neuronal the 100% attacking a shildren as well as the children from each
	We could therefore, reward the 100% attendance children as well as the children from each class with the highest attendance. We could then factor this into our annual prize giving at
	the end of the school year? We could maybe include termly rewards for this? We will
	discuss rewarding attendance at both staff and school council meetings to see what we can
	put in place.
Parental wish – Online Payments	School response
*The online payment system was	From my own experience using online payment systems, I would agree that I am yet to
more user friendly and you could pay	come across a system that is totally user friendly. All school items (except play tickets) can
for everything online, rather than only	now be paid online. This now includes extra-curricular clubs online. As we issue seat
certain things.	numbers with school play tickets at the time of purchase this cannot be added to our online system. The only things that cannot be paid online are things where an external company is
	involved This includes: school photographs, Let's Sing and £1 contributions for Children in
	Need/Comic Relief etc.
Parental wish – Parking	School response
Also stop people parking on the 'zig	I am fully aware of the issues with the car parking restrictions with Darlington St and I
zag' lines outside school as they are	agree that there are some people who put children (and more recently) adults in physical
putting children in to real danger!!!	danger! School would find it difficult to 'police' parking arrangements outside school and I
	wouldn't recommend to any of our staff to start approaching cars on the street. Traffic
	Enforcement Officers do appear from time to time, however, I will make contact with them to see if they can increase their patrols in our area.
	L TO SAR IT TRAVISAN INCRASO THAIR NATROIS IN AUR ARAA

Parental wish – Sports Day	School response
*That sports day was in a more of the	Our approach to sports day ensures that children have an opportunity to 'have a go' and
old fashioned style with the children	master a variety of different sporting events (long jump, javelin, triple jump etc). There are
competing against each other directly,	many reasons why we approach our sports days in the way we do:
still working in teams. I think it would	*Children have an opportunity with a wider range of events;
build more of an atmosphere and	*Children are competing against 'national standards';
children's/parents cheering on their	*Children are 'competing' against themselves year on year (so it is based on individual
team. Some children's strengths may	merit);
not be academic and it would give	*It is more inclusive and our % uptake in our sports day is very high;
	*We feel that our events are more effective in preparing children for future sporting events,
competition is something they will	for example: we choose speed bounce as opposed to a sack race etc;
have to face throughout their lives.	
*Also sports day should be	This year we will be doing something different. On our usual KS2 Sports Day, we will continue to include the optional 'good old fashioned running races' at the end so that
competitive, the children have no	children do have the opportunity to compete against others and there can be an
drive.	atmosphere created as you cheer the children (and some parents and staff on). But on
	Friday 28 th June, we will be having a 'KS2 Sports Afternoon' where children will be
	competing directly against each other. We do not know what the final version of this will
	look like yet and so if you have any ideas that you could contribute to this, then please let
	Mr Cooke know in school.
	There is plenty of healthy competition in our school and children are given an opportunity to
	shine, we just manage it in a different way. Some children who are not 'sporty' can feel
	demoralised if they see that they always come last with such a large audience watching.
	The way we do it, the children compete against the stopwatch (and themselves, year on
	year) as they aim to beat their previous time.
	We wouldn't demonstrate individual performance in any other subjects with such a large
	audience: For example: we wouldn't read out Maths test scores or Spelling test scores in
	class as this would demotivate children with low scores and 'turn them off' that particular
	subject. We are aiming to inspire healthy lifestyles and create a love of the subject area, no
	matter what the 'performance level' of the children and that's why we plan our inclusive
	sports day, the way we do.
Parental wish – Stay and Plays	School response
*There were more stay and plays	Throughout the year there are many opportunities for you to come into school to see your
	children 'celebrate' their learning. There are the Open afternoons (twice a year), a sports
	day and a class worship (with a stay and play session afterwards for Nursery and
	Reception). As well as the above, we also have two 'stay and play' sessions in Nursery after
	the Christmas productions and Reception have an annual 'Pirate Fashion Show'.
	Last year, as well as the above, Nursery held three further 'stay and play' sessions,
	therefore I agree that we could look into providing further opportunities for you to come
	into your child's class. Look out for the termly dates letters that will be emailed out to you
	(paper copies in the letter holders in the entrance area) which, over the year, will outline
	opportunities for you to come into school.
Parental wish – Dance and Drama	School response
*I would like to see dance and drama	All areas are given recognition – we have a dance club each week led by staff: children work
given as much recognition in terms of	towards putting a dance together for a final performance at an event involving other local
events and achievements as the other	schools in November for KS2 and March for KS1. In the Autumn term, there is a dance club
arts i.e. music and drawing	led by leaders from Fred Longworth High School. Again, children come together to put on a
	performance at the high school each Christmas.
	In terms of drama/speaking and listening, last year, Y6 children led a lunch time drama
	club, our children contribute in school and in church at the Harvest Festival, KS2 Christmas
	service, Nursery and KS1 Christmas performances, Mothering Sunday, KS2 Easter Service
	and the KS2 end of year production. Each week we have a celebration assembly on a Friday,
	where the children receive merit certificates for a wide variety of areas. Many children
	receive certificates for dance and drama activities.
	After seeing the excellent performance of our children in the KS2 production last year, I am
	, see seeing the executive perjointance of our enhancer in the KS2 production last year, rain
	keen to explore this area further with our children.
	keen to explore this area further with our children.
