Strategies and interventions to support achievement

'Gosh, Danny! You must really like football', said Emma

1. How does Emma know that Danny likes football?
2. How many things to do with football does Danny have in his room?
3. Can you think of some other things to do with football that Danny could collect?
4. If Emma says that she doesn't like football, how will Danny feel?
5. How do people choose which football team to follow?
6. Sometimes, people who support different football teams, argue with each other. Why do you think they do that?
7. If Danny met someone who knew nothing about football, what could he say to make them interested in the game?
8. Danny collects things to do with football. Do you...or anyone you know...collect anything?
9. If you were going to collect things about your favourite pop star, what could you buy and collect?
10. Draw your favourite sportsman/woman or pop star. Talk about why you like them.
